Directors' Report For the year ended 30 June 2012

1. Directors

The Company has eight Directors and five Alternates. The names of persons who were Directors and Alternates of the Company during the financial year are:

Member Directors:

Alternates.

Brian Parkinson

Lisa Darmanin is the Alternate Director for all

Wendy Phillips

member Directors.

Tony Tuohey

Russell Atwood

Employer Directors:

Alternates

Michael Tilley

Steve Bird

Angela Emslie

Leigh Harder

Geoff Lake

Alison Lyon

Rob Spence

Alison Lyon

Director Michael Tilley retired as Director on 30 June 2012 and Peter Wilson was appointed as his replacement from 1 July 2012. Director Angela Emslie resigned on 14 September 2012.

2. Principle activities

The principle activities of the Company during the course of the financial year were to provide trustee and administration services to superannuation entities, being Local Authorities Superannuation Fund (LASF), Vision Superannuation Fund (VSF) and Vision Pooled Superannuation Trust (VPST). The Company is also contracted to provide accounting and administration services to Local Super, the superannuation fund for employees of SA & NT local government.

3. Operating and financial review

The Company's net loss is \$5,000 (2011: \$3,516,000 in profit).

In general terms the Company does not aim to make any profit on operations however it does maintain an Operational Risk and Expense Reserve. This Reserve is to provide the Trustee with access to funds to protect members' interests and mitigate the impact of an adverse event. It is funded through the difference in the investment fees charged in the VPST and the actual costs incurred by the VPST. As at 30 June 2012 the Reserve was \$11,677,000 (2011: \$15,271,000).

4. Significant changes

In April 2010 Vision Super announced that it intended to merge with Equipsuper Superannuation Fund by 1 July 2013. The decision to merge was taken on the basis that Directors were satisfied that the merger was in the best interests of members and employers. A memorandum and understanding was agreed and a new Shareholders' Deed was executed on 24 June 2011.

On 25 May 2012, the Board of the Equipsuper Super Fund did not agree that the merger was in the best interests of members and the merger will not proceed.

5. Dividend

The Constitution of the Company prohibits a dividend being paid to members.

Directors' Report For the year ended 30 June 2012 (continued)

6. Indemnification and insurance of officers

The Company has agreed to indemnify all current and former Directors of the Company against all liabilities to another person that may arise from their position as Directors of the Company, except where the liability arises out of conduct involving a lack of good faith. The agreement stipulates that the Company will meet the full amount of any such liabilities, including costs and expenses.

The Company has agreed to indemnify all senior executives for all liabilities to another person that may arise from their position in the Company, except where the liability arises out of conduct involving a lack of good faith. The agreement stipulates that the Company will meet the full amount of any such liabilities, including legal fees.

For the financial ended 30 June 2012 the Company has paid total insurance premiums of \$152,959 (2011: \$213,603) which includes cover for Directors' and officers' liability.

7. Likely developments

The Directors have a Business Plan which outlines the objectives for the Company. There are a number of Federal Government reviews which will consider the superannuation environment over the next year and it is important that the company is in a position to be able to respond to any significant changes. The structure and products offered by the company and associated entities will be monitored to ensure they remain relevant.

8 Auditor's independence declaration

The auditor's independence declaration is set out at the end of the report and forms part of the Directors' report for the financial year ended 30 June 2012.

9. Subsequent events

There has not arisen in the interval between the end of the financial year and the date of this report any item, transaction or event of a material and unusual nature likely, in the opinion of the Directors of the Company, to affect significantly the operations of the Company, the results of those operations, or the state of affairs of the Company, in future financial years.

10. Rounding off

The Company is of a kind referred to in ASIC Class Order 98/100 dated 10 July 1998 and in accordance with that Class Order, amounts in the financial report and Directors' report have been rounded off to the nearest thousand dollars, unless otherwise stated.

This report is made with a resolution of the Directors.

R Spence Director

Dated at Melbourne this 10th day of October 2012

Notes to the Financial Statements

NOTE 1: CORPORATE INFORMATION

Vision Super Pty Ltd (the Company) is a company limited by shares that is incorporated and domiciled in Australia.

The office of Vision Super Pty Ltd is located at Level 5, 1 Spring Street Melbourne Victoria 3000.

The nature of the operations and principle activities of the Company are to provide trustee and administration services to superannuation entities, being Local Authorities Superannuation Fund (LASF), Vision Superannuation Fund (VSF) and Vision Pooled Superannuation Trust (VPST). The Company also provides accounting and administration services to Local Superannuation Scheme, the superannuation fund for employees of South Australia & Northern Territory Local Government.

The financial statements were approved by the Board of Directors on 28 September 2012.

NOTE 2: ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

Certain comparative amounts have been reclassified to conform to the current year's presentation.

2.1 Basis of preparation

The financial statements are a general purpose financial report, which has been prepared in accordance with the requirements of the Corporations Act 2001, Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board. The financial statements have also been prepared on a historical cost basis, except for financial assets held at fair value through profit or loss, that have been measured at fair value.

The financial report is presented in Australian dollars and all values are rounded to the nearest thousand dollars (\$000) unless otherwise stated.

Statement of compliance

The financial report complies with Australian Accounting Standards and International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards board.

Notes to the Financial Statements

NOTE 2: ACCOUNTING POLICIES

2.1 Basis of preparation (cont)

New accounting standards and interpretations

Accounting Standard	Nature	Application Date of Standard	Application Date for Entity
AASB 1053 – Application of Tiers of Australian Accounting Standards	Differential reporting framework established allowing the availability of reduce disclosures to entities which do not have public accountability.	1 July 2013	1 July 2013
AASB 9 – Financial Instruments	Changes to the classification and measurement of financial assets.	1 January 2013	1 July 2013
AASB 13 – Fair Value Measurement	Additional disclosures for assets and liabilities carried at fair value.	1 January 2013	1 July 2013
AASB2011-4 Related Party	This Amendment deletes from AASB 124 individual key management personnel disclosure requirements for disclosing entities that are not companies.	1 July 2013	1 July 2013

The full extent of the impact of the changes listed above is currently still being assessed, however at this time no material change in the financial statements is expected.

Notes to the Financial Statements

NOTE 2: ACCOUNTING POLICIES (CONT)

Significant accounting judgements and estimates 2.2

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, income and expenses. Management bases its judgements and estimates on historical experience and on other various factors it believes to be reasonable under the circumstances; the results of which form the basis of the carrying values of assets and liabilities that are not readily apparent from other sources.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statements are described in the Note 2.3 (J) and (K) in regarding estimation of useful lives of assets and Note 2.3 (H) Income Tax in regarding to recovery of deferred tax assets.

Summary of significant accounting policies 2.3

The principal accounting policies applied in the preparation of these financial statements are set out below.

(A) Financial instruments

(i) Classification

The Company's only financial asset is an investment in the unlisted managed scheme. It is classified as financial instruments designated as at fair value through profit or loss upon initial recognition in the category of financial assets at fair value through profit or loss in accordance with AASB 139. The financial asset is designated on the basis that it is managed and has its performance evaluated on a fair value basis in accordance with risk management and investment strategy of the Company.

(ii) Recognition

The Company recognises a financial asset when, and only when, it becomes a party to the contractual provisions of the Company.

(iii) Derecognition

A financial asset is derecognised where:

the rights to receive cash flows from the assets have expired; or i.

the company has transferred its rights to receive cash flows in full without material delay to a ii. third party under a "pass through" arrangement; and

either (a) the Company has transferred substantially all the risks and rewards of the asset, iii. or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

(iv) Initial measurement

Financial assets at fair value through profit or loss are recorded in the Statement of Financial Position at fair value. All transaction costs for such instruments are recognised directly in profit or loss.

(v) Subsequent measurement

After initial measurement, the Company measures financial instruments which are classified as at fair value through profit or loss at fair value. Subsequent changes in the fair value of those financial instruments are recorded in "Change in fair value of financial assets at fair value through profit or loss". Interest earned is recorded in "Interest revenue" according to the terms of the contract. Distribution revenue is recorded in "Distribution revenue".

Notes to the Financial Statements

NOTE 2: ACCOUNTING POLICIES (cont)

2.3 Summary of significant accounting policies (cont)

(B) Trade and other receivables

Trade and other receivables largely consist of trustee services fees due and receivable from Local Authorities Superannuation Fund, Vision Superannuation Fund, Vision Pooled Superannuation Trust and Local Super.

(C) Trade and other payables

Trade and other payables are carried at historical cost and due to their short-term nature they are not discounted. They represent liabilities for goods and services provided to the Company prior to the end of the financial year that are unpaid and arise when the Company becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(D) Revenue recognition

Revenue is recognised and measured at the fair value of the consideration received or receivable to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Trustee Services Revenue

Revenue from the rendering of administration services is recognised at the end of each month and based on the both paid and accrued administration expenses recognised in profit or loss at the reporting date.

Interest revenue

Interest earned on financial assets at fair value through profit and loss is recorded in interest revenue according to the terms of the contract.

Distribution revenue

Distributions from the managed investment scheme are recognised as at the date the unit value is quoted ex-distribution and if not received at reporting date, are reflected in the Statement of Comprehensive Income.

Change in fair value of financial assets

This item includes the fair value of financial assets designated upon initial recognition as "held at fair value through profit or loss" and excludes interest and distribution revenue. Amounts are calculated as the difference between the fair value at sale or at year end, and the fair value at the previous valuation point. This includes both realised and unrealised gains and losses.

(E) Cash and cash equivalents

Cash and cash equivalents in the Statement of Financial Position and Statement of Cash Flows comprise of cash at bank and term deposits with original maturity of three months or less.

(F) Contributed equity

Ordinary shares are classified as equity.

Notes to the Financial Statements

NOTE 2: ACCOUNTING POLICIES (cont)

- 2.3 Summary of significant accounting policies (cont)
- (G) Trustee liabilities, right of indemnity and obligations

The Company acts solely as trustee of LASF, VSF and VPST and liabilities have been incurred on behalf of the LASF, VSF and VPST in the Company's capacity as corporate trustee.

Liabilities incurred on behalf of LASF, VSF and VPST are not recognised in the financial statements when it is not probable that the Company will have to meet any of these trust liabilities from its own resources. When it is probable that the Company will have to meet some trust liabilities, a liability for the deficiency in Trust Right of Indemnity is brought to account.

Details of the trust liabilities, the offsetting right of indemnity and any deficiency in the right of indemnity are disclosed by way of note to the financial statements.

(H) Income Tax

Income tax expense comprises current and deferred tax. Income tax expense is recognised in profit or loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax is recognised using the statement of financial position method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which temporary differences can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(i) Goods and Services Tax

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

Cash flows are included in the Statement of Cash Flows on a gross basis.

Notes to the Financial Statements

NOTE 2: ACCOUNTING POLICIES (cont)

- 2.3 Summary of significant accounting policies (cont)
- (J) Property, Plant and Equipment

(i) Recognition and Measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and impairment losses.

Cost includes expenditures that are directly attributable to the acquisition of the asset. The cost of self-constructed assets includes the cost of materials and direct labour, any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located. Purchased software that is integral to the functionality of the related equipment is capitalised as part of that equipment.

(ii) Subsequent Costs

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in profit or loss as incurred.

(iii) Depreciation

Depreciation is recognised in profit or loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment.

The estimated useful lives of the current and comparative period are as follows:

		2012	2011
•	Fixtures and fittings	10 years	10 years
	Computer hardware	4 years	4 years
•	IT communications & cabling	4 years	4 years
•	Computer software	4 years	4 years
•	Motor vehicles	8 years	8 years
•	Building allowance	40 years	40 years

Depreciation methods, useful lives and residual values are reassessed at the reporting date.

Notes to the Financial Statements

NOTE 2: ACCOUNTING POLICIES (cont)

- Summary of significant accounting policies (cont) 2.3
- Intangible Assets (K)

(i) Development

System development expenditure is capitalised only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resources to complete development and to use the asset. The expenditure capitalised includes the cost of materials, direct labour and overhead costs that are directly attributable to preparing the asset for its intended use. Other development expenditure is recognised in profit or loss when incurred.

Capitalised system development expenditures are measured at cost less accumulated amortisation and accumulated impairment losses.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

(iii) Amortisation

Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of intangible assets from the date that they are available for use. The estimated useful life for the current year is as follows: 2012

System development costs

4 vears

2011

4 years

Impairment (L)

The carrying amounts of the Company's assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists then the asset's recoverable amount is estimated. For intangible assets that have indefinite lives or that are not yet available for use, recoverable amount is estimated at each reporting date.

An impairment loss is recognised if the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. A cash-generating unit is the smallest identifiable asset group that generates cash flows that largely are independent from other assets and groups. Impairment losses are recognised in profit or loss. Impairment losses recognised in respect of cash-generating units are allocated to reduce the carrying amount of the assets in the unit (group of units) on a pro rata basis.

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

Lease Payments (M)

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of lease.

Notes to the Financial Statements

NOTE 2: ACCOUNTING POLICIES (cont)

- 2.3 Summary of significant accounting policies (cont)
- (N) Employee Benefits

(i) Wages, salaries, annual leave, sick leave and non-monetary benefits

Liabilities for employee benefits for wages, salaries, annual leave and sick leave expected to be settled within12 months of the year end represent present obligations resulting from employees' services at reporting date, calculated at undiscounted amounts based on remuneration wage and salary rates that the Company expects to pay as at reporting date including related on-costs.

(ii) Long service leave

The provision for employee benefits for long service leave represents the present value of the estimated future cash outflows to be made resulting from employee's services provided to reporting date.

Obligations for contributions to LASF, a defined benefit superannuation fund, are recognised as an expense in the Statement of Comprehensive Income as incurred.

NOTE 3: CHANGE IN FAIR VALUE OF FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT AND LOSS

Net changes in fair value of financial assets at fair value through profit and loss: Designated at fair value through profit and loss (589) 123		2012 \$000	2011 \$000
Designated at fair value through profit and loss (589) 123		jh	
	profit and loss:	(589)	123_
Total gains/(losses)	Total gains/(losses)	(589)	123

Non-cancellable operating lease rentals are payable as follows:

Less than one year Between one and five years More than five years	2012	2011
	\$000	\$000
	583	564
	603	2,458
	0	1,8 <u>38</u> _
	1,186	4,860

The Company leases its offices under an operating lease. The lease runs for a period of 10 years from the lease commencement date, 1 July 2004, with an option to renew the lease after that date for another 4 years.

Due to business expansion, the Company's Management realised that the Company is not likely to exercise the lease option when the current lease expires on 30 June 2014.

During the year ended 30 June 2012 \$869,000 (2011: \$875,000) was recognised as premise expenses in the Statement of Comprehensive Income in respect of operating leases.

2011

2012

2044

Vision Super Pty Ltd

Notes to the Financial Statements

NOTE 5: AUDITORS REMUNERATION

The Company also pays the audit fees of VSF.

	2012 \$000	\$000
Amounts received or due and receivable by Ernst & Young for: -an audit of the financial statements of the Company	25	21
-other services in relation to the Company	25	21
NOTE 6: FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT	OR LOSS 2012 \$000	2011 \$0 <u>00</u>
Financial assets designated as at fair value through profit or		
loss Unlisted managed investment scheme	9,716	40.007
	9,716	12,097 12,097

(a) Classification of financial instruments under the fair value hierarchy

The following table shows financial instruments recorded at fair value, analysed between whose fair value is based on quoted market prices, those involving valuation techniques where all the model inputs are observable in the market and those where the valuation technique involves the use of non-market observable inputs.

	Valued at quoted market price (Level 1)	2012 Valuation technique – market observable inputs (Level 2)	Valuation technique – non-market observable inputs (Level 3)	Total	2011 Total
	\$000	\$000	\$000	\$000	\$000_
Unlisted managed investment scheme Total		9,716 9,716	-	9,716 9,716	12,097 12,097

The level in which instruments are classified in the hierarchy is based on the lowest level input that is significant to the net market value measurement in it entirety. Assessment of the significance of an input requires judgement after considering factors specific to the instrument.

Disclosure of the methods and assumptions applied in determining the fair value for financial assets are included in Note 2.3 (A).

(b) Transfers between hierarchy levels

There has been no significant transfer between Level 1 and Level 2 of the fair value hierarchy during the year.

Notes to the Financial Statements

NOTE 14: OPERATIONAL RISK AND EXPENSE RESERVE

An Operational Risk and Expense Reserve (the Reserve) was established on 1 July 2007 to provide the Company with access to funds to protect members' interests and mitigate the impact of an adverse event. The Reserve will be funded from any profit arising from future administration and investment fees. The profit is the difference between the fixed fees charged and the actual costs incurred.

Notes to the Financial Statements

NOTE 16: EMPLOYEE BENEFITS

The Company makes employer superannuation contributions in respect of its employees to LASF. Obligations for contributions are recognised as an expense in profit and loss when they are due. LASF has two categories of membership, each of which is funded differently:

LASF's accumulation category, Vision Super Saver, receives both employer and employee contributions on a progressive basis. Employer contributions are normally based on a fixed percentage of employee earnings (9% required under Superannuation Guarantee Legislation). No further liability accrues to the employer as the superannuation benefits accruing to employees are represented by their share of the net assets of LASF.

LASF's Defined Benefit Plan is a multi-employer sponsored plan. As LASF's assets and liabilities are pooled and are not allocated by employer, the Actuary is unable to reliably allocate benefit liabilities, assets and costs between employers. As provided under paragraph 32 (b) of AASB 119, the Company does not use defined benefit accounting for these contributions.

The Company makes employer contributions to the defined benefit category of LASF at rates determined by the Trustee on the advice of the LASF's actuary. On the basis of the results of the full actuarial investigation conducted by the LASF's actuary as at 31 December 2011, the Trustee has determined that the current funding arrangements are adequate for the expected Defined Benefit Plan liabilities. The Company makes the following contributions:

- 9.25% of member salaries (same as previous year);
- the difference between resignation and retrenchment benefits paid to any retrenched employees, plus contribution tax (same as previous year).

LASF's liability for accrued benefits was determined at 31 December 2011 pursuant to the requirements of Australian Accounting Standard AAS25 as follows:

	01 500
	2011
	\$000
ALCER AND A March of Apports	4,315,324
Net Market Value of Assets	4,642,133
Accrued Benefits (per accounting standards)	(326,809)
Difference between Assets and Accrued Benefits	4,838,503
Vested Benefits	,,000,000

The financial assumptions used to calculate the accrued benefits for the defined benefit category of LASF were:

E/101 170101	
 Net Investment Return 	7.50% p.a.
 Salary Inflation 	4.25% p.a.
Price Inflation	2.75% p.a.

	2012 \$000	2011 \$000
Employer contribution paid to Local Authorities Superannuation Fund	1,380	1,631
Employer contribution payable to Local Authorities Superannuation Fund		-
Total contribution to Local Authorities Superannuation Fund	1,380	1,631

Notes to the Financial Statements

NOTE 17: FINANCIAL RISK MANAGEMENT

(a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables which are mainly trustee services fees to VSF, LASF & VPST. Consequently, the Company's exposure to credit risk is considered minimal. The amount that best represents the Company's maximum exposure to credit risk at reporting date in relation to these receivables is the carrying value in the Statement of Financial Position.

(b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's exposure to liquidity risk is not material as the Company always maintains sufficient fund at bank to cover daily operation expenses. Additionally, the Company also maintains an operational risk and expense reserve of \$11.6 million (2011: \$15.3 million) as at the reporting date.

There are no contractual maturities for financial liabilities in excess of 12 months.

(c) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments.

(i) Foreign currency risk

The Company is not exposed to foreign currency risk as it operates in Australia only and all transactions are in Australian dollars.

(ii) Interest rate risk

The Company's exposure to interest rate risk is not material as its interest income for the year 2012: \$138,000 (2011: \$179,000) is not material and the Company does not borrow money. Consequently, no sensitivity analysis is disclosed in this note.

(iii) Other price risk

Other price risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk, whether those changes are caused by factors affecting all similar financial instruments in the market. Equity price risk exposure arises from the Company's investment with Vanguard.

	201	2	201	1
Index/Benchmark	Change in investment price %	Effect on net assets / investment returns \$000	Change in investment price %	Effect on net assets / investment returns \$000

NOTE 18: RELATED PARTIES

(a) Key Management Personnel

The Company had eight Directors and five Alternates. The names of persons who were Directors and Alternates of the Company during the financial year are:

Member Directors:

Alternates:

Brian Parkinson

Lisa Darmanin is the Alternate Director for

Wendy Phillips

all member Directors.

Tony Tuohey Russell Atwood

Employer Directors:

Alternates

Michael Tilley

Steve Bird

Angela Emslie

Leigh Harder

Angela Emsile Geoff Lake

Alison Lyon

Rob Spence

Alison Lyon

Director Michael Tilley retired as Director on 30 June 2012 and Peter Wilson was appointed as his

replacement from 1 July 2012.

Each Director attended the following meetings and Board Committees during the year as a member of the Board or relevant Committee.

Name	Board Meetings		
	Held	Attended	
Rob Spence	14	14	
Brian Parkinson	14	13	
Wendy Phillips	14	13	
Tony Tuohey	14	13	
Russell Atwood	14	12	
Michael Tilley	14	11	
Angela Emslie	14	11	
Geoff Lake	14	14	

Board Committees are open to all Directors and were attended by a quorum of Directors on all occasions. Apart from Directors of the Trustee Company, the Chief Executive Officer, General Manager Finance and Compliance, Chief Operating Officer, Manager Investments and General Manager Fund Development are considered to be Key Management Personnel (KMP) for the purpose of these financial statements.

Vision Super Pty Ltd

Notes to the Financial Statements

NOTE 18: RELATED PARTIES (cont)

Key management personnel and executives compensation (b)

The KMP's compensation is presented in the table below for year 2012. Total compensation received, or due and receivable, by key management personnel amounted to \$1,833,000 (2011: \$1,766,000).

The detail is as follows:

The detail is as follows.	2012	2011
	\$000	\$000
Short-term employee benefits	1,663	1,618
Other long-term benefits		-
Post employment benefits	170	148
1 oot cinploymont adminis	1,833	1,766

The table below lists the number of Key Management Personnel and executive positions named above whose income falls within the following bands for the financial year ending 30 June:

Amounts falling between	2012	2011
Upto \$39,999	3	3
\$40,000 - \$49,999	7	7
\$70,000 - \$79,999	1	1
\$210,000 - \$229,999	1	1
\$230,000 - \$249,999		1
\$250,000 - \$259,999	1	•
\$260,000 - \$269,999		2
\$270,000 - \$279,999	2	4
\$400,000 - \$419,000	1	1

The remuneration paid to Chairman is \$79,668, Directors \$43,229 and \$1,090 for Alternate Directors. There is no additional remuneration for Directors' attendance at Committee meetings.

Any Director of the Company or other key management personnel who is a member of the Fund contributes to the Fund on the same terms and conditions as other members. No retirement benefits were paid to Directors or key management personnel during the year.

RIF was established primarily to invest in regional infrastructure projects. RIF has four Directors, all of whom are current or former directors of Vision Super Pty Ltd, namely; Tony Tuohey, Michael Tilley, James Coghlan and Darrell Cochrane.

The objective for RIF is to invest in infrastructure projects and it currently wholly owns Regional Wind Farms Pty Ltd.

(iii) Regional Wind Farms Pty Ltd

Regional Wind Farms Pty Ltd is wholly owned company and was established by RIF to invest in wind farms. Project development, construction and operations are contracted out to third party providers. Director Tony Tuohey is also a Director of Regional Wind Farms Pty Ltd. Other directors are appointed by Industry Funds Management.

(iv) Local Authorities Superannuation Fund

The Company is the trustee of LASF. The trustee services fees paid and payable to the Company by LASF for the year ended 30 June 2012 is \$17,357,000 (2011: \$16,959,000).

(v) Vision Superannuation Fund

The Company is the trustee of VSF. The trustee services fees paid and payable to the Company by VSF for the year ended 30 June 2012 is \$1,273,000 (2011: \$896,000).

(vi) Vision Pooled Superannuation Trust

The Company is the trustee of VPST. The trustee services fees payable/paid to the Company by VPST for the year ended 30 June 2012 is \$5,536,000 (2011: \$7,567,000).

(vii) Vision Holding Company Pty Ltd

Vision Holding Company Pty Ltd was established in 2008 for the purpose of acting as trustee company for the Private Equity Trust which holds a number of overseas private equity investments.

(viii) Directors

Ms Emslie's partner, Garry Weaven, is Executive Chair of Industry Funds Management (IFM), which manages infrastructure and private equity investments for Vision Super and provides investment services to RIF. Mr Weaven is also a Director of Members Equity.

Director Tony Tuohey has provided consulting services to Bridgewater Associates, a fund manager which is engaged by Vision Super and absented himself from any determination relating to this manager.

Notes to the Financial Statements

NOTE 19: SUBSEQUENT EVENTS AFTER BALANCE DATE

Since 30 June 2012, there has not been any other matter or circumstance not otherwise dealt with in the financial statements that has significantly affected or may significantly affect the Company.

Directors' Declaration

In the opinion of the Directors of Vision Super Pty Limited ("the Company"):

- (a) the financial statements and notes, set out on pages 1 to 23, are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Company's financial position as at 30 June 2012 and of its performance, for the financial year ended on that date; and
 - (ii) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Regulations 2001.
- (b) the financial report also complies with International Financial Reporting Standards as described in Note 2, and
- (c) there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Independent auditor's report to the members of Vision Super Pty Ltd

We have audited the accompanying financial report, being a special purpose financial report of Vision Super Pty Ltd, which comprises the statement of financial position as at 30 June 2012, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 2 to the financial report is appropriate to meet the requirements of the *Corporations Act 2001* and is appropriate to meet the needs of the members.

The directors' responsibility also includes such internal controls as the directors determine are necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit we have complied with the independence requirements of the *Corporations Act* 2001. We have given to the directors of the company a written Auditor's Independence Declaration.

Opinion

In our opinion the financial report of Vision Super Pty Ltd is in accordance with the *Corporations Act* 2001, including:

a. giving a true and fair view of the company's financial position as at 30 June 2012 and of its performance for the year ended on that date; and

a. complying with Australian Accounting Standards to the extent described in Note 2, and the Corporations Regulations 2001.
